“VAPOR” Rain Suit by Frogg Toggs - your ultimate companion for conquering the elements in style and comfort. Engineered for adventure, this lightweight marvel weighs in at just 19.5 ounces, making it effortlessly packable for your every journey. Crafted with precision, the VAPOR Rain Suit boasts waterproof technology, ensuring you stay dry in the harshest downpours while maintaining breathability for all-day comfort. Fully taped seams offer added protection against moisture infiltration, guaranteeing you stay dry and focused on your adventures.

The jacket is designed with practicality in mind, featuring an adjustable hood for customizable coverage, two zippered hand warmer pockets for convenience, adjustable hook and loop wrists as well as an adjustable waist for a personalized fit. Whether you're hiking the Appalachian Trail or navigating city streets, the VAPOR jacket has you covered.

Meanwhile, the pants offer supreme functionality with an adjustable elastic waist for a snug, secure fit, and oversized leg openings with hook and loop adjustments for easy on-off over any footwear. From muddy trails to urban commutes, the VAPOR Rain Suit ensures you're prepared for whatever the weather throws your way.

Don't let unpredictable weather dampen your spirits - embrace the outdoors with confidence in the Frogg Toggs VAPOR Rain Suit. Affordable, Reliable, and Ready for adventure.
